President: Sophia Huynh

"IFMSA to me is more than just an organization, but a family. I instantly felt welcomed and fell in love the people. I stayed because of the impact our diverse events made not only in Grenada, but globally."

Fun Fact: The wind stole my passport and threw it off the Cliffs of Moher so I was stranded in Dublin!

Who Are We?

IFMSA
International Federation of
Medical Students' Associations

medical
students
worldwide

What is IFMSA?

International Federation of Medical Students Associations

- 1.3M medical students of 135 member organizations from 125 countries

Our Mission:

- IFMSA unites medical students worldwide to lead initiatives that impact positively the communities we serve. IFMSA represents the opinions and ideas of future health professionals in the field of global health and works in collaboration with partners. IFMSA builds capacity through training, project and exchanges opportunities, while embracing cultural diversity so as to shape a sustainable and healthy future.

International Opportunities:

- Attend international meetings, WHO meetings, publications in international journals, network with students worldwide!

6 Subcommittees: SCOME - SCOPH - SCORA - SCORP - SCOPE/SCORE

Discord

JOIN IFMSA'S DISCORD CHANNEL

WHAT IS DISCORD?

Discord is a networking platform that allows us to connect with one another

HOW WE USE IT?

We are using it for general questions, term specific questions, study groups, social events, and just talking with each other! There are text channels and voice channels (video & audio)

HOW TO JOIN?

1. Read Discord FAQ on IFMSA Website
2. Download Discord App & Create Account
3. Join IFMSA Server (Scan QR code)
4. Read Rules, Intro and channel's purpose
5. Start chatting

Vice President: Farrah Alarmanazi

IFMSA
International Federation of
Medical Students' Associations

"I love IFMSA's broad spectrum of activities and global impact. From the Teddy Bear clinic for orphan children, mental health campaigns, climate change talks to the strong Alumni support, IFMSA is a place where we can all fit in and participate in its various initiatives."

Fun Fact: I've lived in three different countries
Syria, Sudan and the US!

Upcoming Alumni Events

- **February 27:** T5 Post NMI Talk 7pmAST
- **April:** General Alumni Q&A
 - Study tips + resources: Basic sciences years
 - How to prep for STEP 1 +2
 - Clinical shelf exams
 - Clinicals: ranking, LOR, research, clinical experience
 - Residency: ECFMG, ERAS application, interviews

The poster is for an IFMSA/IEA T5 Post MNI module Talk. It features a teal background with medical-themed illustrations: a bandage in the top left, a caduceus in the top center, a red heart with a white ECG line in the top right, a blue heart in the middle left, a white pill bottle in the middle right, a syringe in the bottom right, a red heart with a white ECG line in the bottom left, and a bandage in the bottom right. The IFMSA Grenada logo is in the top left, and the IEA logo is in the top right. The main title is 'IFMSA/IEA T5 Post MNI module Talk'. The date and time are 'Saturday, Feb 27th 6:00 - 7:00 Pm EST (7:00 - 8:00 Pm AST)'. The Zoom meeting ID is 97096722374 and the password is Step21. A QR code is provided for the meeting. The topics to be discussed are: 'Done with MNI module, so what's now?', 'How to study for BSCE, STEP?', 'How to manage Clinicals?', 'How to study during dedicated?', and 'ECFME new pathway & OET explained!'. The speakers are Grace Gilbert, Mokhtar Malas, Larry Wang, and Stella Yun, each with a photo and a brief bio.

SCOME - Medical Education

IFMSA
International Federation of
Medical Students' Associations

WHAT'S IT ALL ABOUT?

The Standing Committee On Medical Education (SCOME) was one of the first standing committees formed when IFMSA was established.

SCOME Vision Medical students attain an optimal professional and personal development to reach their full potential as future doctors for better health care worldwide.

SCOME Mission Our mission is to be the frame in which medical students worldwide contribute to the development of medical education. Students convene in SCOME to share and learn about medical education in order to improve it as well as benefit the most from it on a personal and professional basis.

Areas of Focus

1. Advocacy and External Relations
2. Collaboration
3. Participation and Representation
4. Capacity Building
5. Management and Sustainability

Activities

1. Capacity building activity
2. Education activity
3. Advocacy activity
4. Research activity
5. Fundraising activity

Highlights From 2019

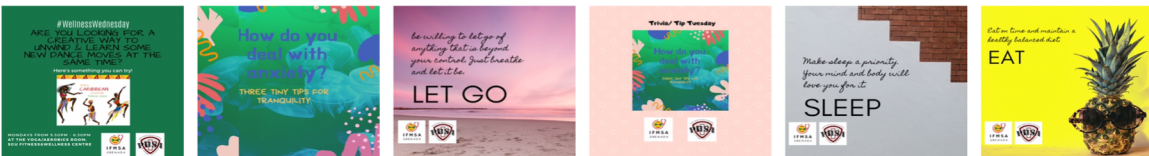

October 22, 2019

Some Of The Activities and Campaigns Organized by SCOME and conducted in collaboration with other Committees and Organizations

October 23, 2019

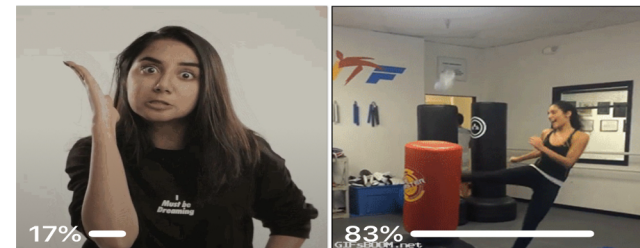

IFMSA-Grenada created a poll.
Posted by Lystra A Williams
October 12 · 🌐

Great Job on Last week's poll guys, looks like you really know your facts about Grenada. This week we'll be continuing our Cultural Awareness campaign with 3 more fun facts about 🇬🇧

Here goes...

1. Grenada gained its independence from the British on February
... See More

Social Media Challenges

- February: Cardiovascular
- March: Sexual Health
- April: Nutrition/Exercise
- May: Mental Health

The background of the slide is a photograph of a large, jagged ice floe floating in dark, cold water. The ice is white and translucent, with some internal fractures visible. The water is a deep, dark blue, and the overall scene conveys a sense of adventure and exploration in a polar region.
